IMPACT REPORT 2023

Thank You

Dear Friends of the Senior Connection,

I AM THRILLED TO PRESENT THE 2023 IMPACT REPORT FOR THE SENIOR CONNECTION. Your support and commitment to our mission have played a pivotal role in shaping the success stories and positive outcomes we achieved in 2023.

As Blaine County's senior population continues to grow faster than Idaho and the United States*, so do our efforts to support this population. We experienced a 25% increase in demand for our largest program – a challenge we met head-on thanks to your steadfast support.

As the only senior-specific organization in Blaine County, your support has enabled us to be an **EXCEPTIONALLY UNIQUE AND CRITICAL SERVICE PROVIDER.** From increased meals and rides to vision and hearing, memory care, and fitness classes, you helped us to provide robust programming to serve our seniors at every age.

2023 has been marked by **COMMUNITY SPIRIT** as we broke records both in fundraising and in service numbers to meet this continued increase in demand. Your contributions of time, talent, and treasure directly fueled our programs and allowed us to maintain our commitment to providing high-quality service to our seniors. **THIS WORK WOULD NOT BE POSSIBLE WITHOUT YOU.**

Together, **WITH YOUR CONTINUED SUPPORT,** we can provide the programs and services that are critical to ensuring our older adults in the Wood River Valley can navigate longevity and age in place for as long as possible.

THANK YOU FOR STANDING WITH US IN MAKING THE HEALTH AND WELL-BEING OF ALL WOOD RIVER VALLEY SENIORS A PRIORITY.

Best Regards,

Jovita Piña, Executive Director

THE MISSION

Connecting seniors with essential services, meaningful programming, their peers and the local community to foster purposeful and passion filled lives.

VOICES OF IMPACT

SUPPORTING INDEPENDENCE

“My vision does not get in the way of my normal life. I am thrilled to say I am able to see better in my right eye.” - Tricia

Your commitment helps provide free vision screenings so older adults can maintain their vision, quality of life, and overall well-being while being independent as they age.

ENCOURAGING ENGAGEMENT

“I want to say thank you to the Senior Connection and to Jani for interpreting at my appointments. Now I can hear better, and for that I am grateful. Thank you so much.” -Juan

Your investment provides free hearing tests and hearing aids so our seniors can maintain their hearing and remain engaged with their friends, loved ones, and community.

PROMOTING HEALTH

“I started coming here a few days a week, the bus picks me up at my home, and I workout for almost an hour. It’s a great workout, and I am very impressed with the Senior Center.” -Bob

Your support has gone the distance in helping our seniors improve their health and strength, reducing the risk of falls and injuries while maintaining their mobility.

Watch Tricia, Juan, and Bob’s stories come to life by scanning the QR code:

Your generosity moved mountains!

In 2023, you helped serve **26,641 nutritious meals** to Blaine County seniors. Of those meals, **15,758 were Meals on Wheels.**

Your investment was key in helping our seniors **age in place and with dignity** by providing **6,137 caregiving hours.**

Your gift hit the road **providing 2,786 rides** to Wood River Valley seniors to the Senior Connection, local and regional field trips, medical appointments, and more.

Your support hosted **251 fitness classes** keeping our seniors strong, balanced, healthy, and engaged.

Made possible by our mighty team of volunteers who gave **4,144 hours of their time** - our secret sauce for success!

Thanks to you, we provided **321 Memory Care Participant Days** - supporting our seniors and their loved ones as they navigate the challenges of aging.

You provided 24 Let's Get Out Adventures including field trips to Stanley, Jackpot, museums, nature walks, and more!

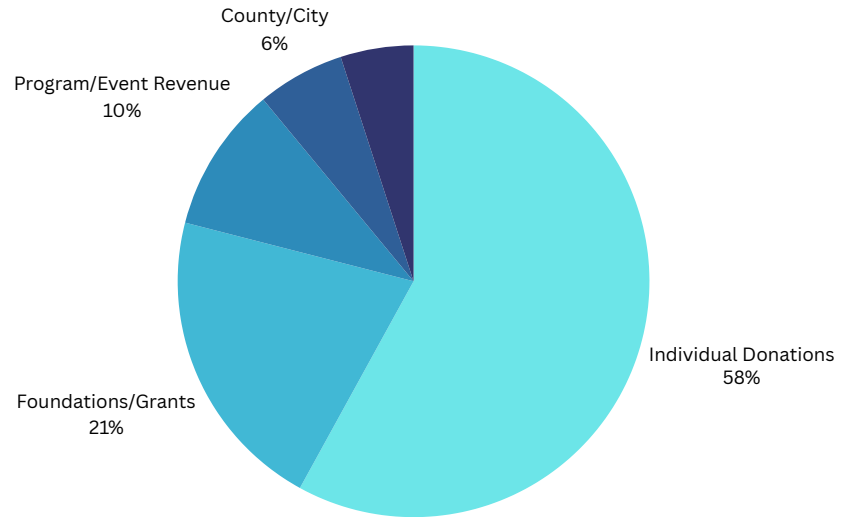

2023 FINANCIALS

Thanks to ongoing financial discipline, the Senior Connection is a fiscally sound, responsible organization well-prepared to meet the needs of the present Blaine County senior population.
