

the SENIOR CONNECTION

2025 IMPACT & PHILANTHROPY REPORT

Thank You

Dear Friends of the Senior Connection,

Because of your generosity and belief in our mission, the Senior Connection stands today as more than a building—it is a promise. A promise that older adults in our community are supported and surrounded by opportunities to live with connection and independence.

This past year reaffirmed the strength of that promise. Donor participation reached new heights, programs flourished, and our center continued to be a place where relationships are strengthened, wellness is nurtured, and lives are enriched. These outcomes are possible because donors like you invest not only in programs, but in people.

As we look ahead, we are guided by an important question: how do we ensure that the Senior Connection's impact will endure and expand in a changing world? The needs of older adults are evolving, and with that comes an important opportunity to think boldly about what it will take to best serve future generations of seniors in our community.

Our Board of Directors and leadership are engaged in thoughtful, mission-driven planning to ensure that the Senior Connection remains robust, responsive, and inspiring for years to come. This work is grounded in stewardship, vision, and a deep respect for the trust you have placed in us.

In the coming months, we look forward to sharing more about this long-term vision and to continuing the conversation about our mission. A strong and steady partnership with our donors continues to shape our path forward, and we are profoundly grateful for your role in the life and future of the Senior Connection.

Thank you for investing in a community where aging is met with dignity, opportunity, and genuine care.

With great appreciation,

Jovita Piña
